Northshore Sleep Medicine’s Return Policy on Shipped Supplies

Due to problems in recent shipping orders, we will give you a two week grace period from the date that your equipment was shipped to your home to either return or exchange it. This will give you exactly 14 days to contact our office should changes be necessary in your equipment order. Unfortunately, after that period of time we cannot take returns on shipped supplies.

If you have problems with your machine or mask, please call Lorraine Rodriguez, our chief technician at 847-674-3600. Our staff may be able to help over the phone or you may need a visit with a sleep tech or a physician.
